Zanes Law Sponsors Within Studios for Hit ‘Food Court Wars’

Tucson-based interior design company designed law firm’s offices

Tucson, Ariz. (March 27, 2014) – [Zanes Law](#) is proud to have sponsored Tucson-based Within Studio Interior Design as it broke Food Network records in successfully remodeling two Sierra Vista mall restaurants in 12 hours for an upcoming edition of the popular competition show “Food Court Wars.”

“Our talented friends at Within Studio, who also designed all five of our offices, worked incredibly hard to make sure the remodeled restaurants looked perfect for the show – and did it in record time,” said Claudia Zanes, the Director of Business & Marketing (Non-Attorney) for Zanes Law. “We were happy to sponsor Within Studio, which made sure they had all the supplies and equipment they needed to get the job done.”

“Food Court Wars,” hosted by celebrity chef Tyler Florence, pits two teams of aspiring food entrepreneurs against each other as they compete to win a rent-free food court restaurant for a year, a prize worth \$100,000. The show featuring Within Studio, which was shot at the Mall at Sierra Vista last weekend, will air in late May.

“We can’t wait to see the ‘Food Court Wars’ episode that included Within Studio and gives them this much-deserved national exposure,” Zanes said.
